Dear Joe,

Thank you for getting my boat, the 39 Carver CPMY sold. You did it! I really appreciated your coming down to my boat to meet with me and assess the boat in January 2010. You helped me decide upon a proper price for the sale. You also motivated me to make a few more upgrades and invest in cosmetic improvements so the boat would show well. You kept me well informed via phone calls and email messages. It was also a big help that you featured the boat's picture and listing in the advertisements in boating magazines. Once we had an offer you guided me through the survey and closing process until the deal was done.

I will be happy to recommend you and Peter Kehoe Yacht Sales to anyone who is trying to sell their boat. Thanks again for your help. It was a pleasure to work with you.

Cordially

Stefan A. Pasternack, M.D.
